Why is Anoox non-profit Social network offering Web based Video meetings? Managing Director Dean Ansari said that our Goals here at Anoox non-profit Social network have been:

- 2- to enable our members to get the best answers out, which requires Trust between members

3- to enable our members and the Public at large to Connect, Share, Discuss and Discover

Meeting via Video is another huge step toward these goals.

Added to these reasons is that the Pandemic has helped supercharge global e-commerce via online sources and Video meetings, rather than face to face, so offering our members and the public at large a super convenient way to meet online now via Video is the right thing to do to Super charge our member activities and the impact of our non-profit Social network.
