to your dream worlds, close to heal

you when you are uncomfortable, except some are scary and some are sad but still there is joy in them. Sometimes joy does not merely mean to laugh, it also means to have calmness in mind body and soul and also in the hearts that rules all of you."

“

If you want your children to be intelligent, read them fairy tales”

*Albert Einstein*

His 100+ fairy tales are available for free on [www.airherk.com](http://www.airherk.com) to read for free by kids of all ages. These fairy tales are not re-tellings of old fairy tales. There are the regular fairy tales along with new kinds of fairy tales called Anime fairy tales which are light (emotionally) for your heart. These anime fairy tales are different than the

regular anime stories by the measure in their emotional intensiveness. They don't hurt anybody's heart rather calm it to a joyful state.

Hearts lie where there is preciousness, preciousness may or may not imply money but they do imply joy of life, joy to rule the hearts once, for all and maybe again. He wishes good luck to all, for, "fall one may not but rise may all to achieve the goodness for all and for hearts to never to pause from joy of life or fun" - Air Herk.

These fairy tales are not only fairy tales but they are bedtime stories also.

Most of them are 5 minute [short stories](#) except some (10-20) take a little more time to read and are thus long.
