

Full View Productions Becomes First Production Studio In Michigan To Welcome Kira Cinematic Robot Into Detroit Studio

Attendees of Full View's Open House will be able to view the cinematic robot in action

DETROIT, MICHIGAN , USA , April 13, 2022 /EINPresswire.com/ -- [Full View Production](#), the award-winning creative and visual team behind some of the industries leading content, will

welcome industry leaders to their open house at the state of the art facility on Friday, April 22, 2022, from 4:00 PM -7:00 PM, located at 6235 Concord Avenue, Suite 140 in Detroit, Michigan.

“

Detroit has become a hub of innovation and creativity. Being a native Detroiter, I wanted to bring creativity to an industry I love, Film and Video production.”

Marcus Lewis, President, Full View Productions

Attendees will have the opportunity to meet and network with the team, tour the fully equipped facility, and witness the unveiling of their [FVP Kira](#), a precision movement robotic arm. As the largest Black-owned production company in Michigan, Full View Production owns everything from cinema-grade lights and cameras and is now the only cinematic robot in Detroit. Kira is a precision movement robotic arm used to hold lights, cameras, and serve as an extra hand when filming high-speed movements. It can roll and pan at 430 degrees per second, making humanly impossible moves.

"Detroit has become a hub of innovation and creativity. Being a native Detroiter, I wanted to bring creativity to an industry I love, Film and Video production. Detroit deserves a production house that understands the culture and passion. We want to offer our talents to everyone, not from the outside but right here in the heart of Detroit. We have unrivaled tools and a full staff of creatives that can execute any size production, for all industries, anywhere." - Marcus Lewis, President, Full View Productions
