April North Beach Art and Charity Benefit & Artist Meet and Greet About this event

The featured artist for the next event Thursday, April 21st from 6-9 p.m. is emerging mixed media artist, [Trista Boyenga](#). Trista is a respected Army Veteran injured on duty she created her second career as an artist. She was recently the spotlighted artist at the prestigious Howard Alan event for the 33rd Annual Las Olas Art Fair. "Trista Boyenga incorporates organic materials like wood, mica, resin and lava stone into her original acrylic pieces to bring virtual movement to each piece. Her choices are not accidental – by using substances found in the ocean she is able to deconstruct and reconstruct the ocean itself on to the wood."
