spokesperson of Angela Global, while announcing the launch of this new NFT marketplace. “the platform will also create a new economic zone not only in the Japanese market, but also in the United States, Asia, Oceania, and the Middle East.” He added.

In addition, Angela Global has also announced that they will be issuing crypto asset [PRIMEZ tokens](#) for stable operation as an NFT marketplace, and it will be abbreviated to PRM. This token is a blockchain specialized for NFT issuance, management, and distribution in the Japanese content domain, and is designed for business. PRIMEZ can be connected to multiple blockchains,

including Ethereum, and will function as a cross-chain platform that serves as a hub for NFT issuance and distribution.

In its early stages, PRIMEZ will feature diamonds selected by world-class gemologist Naokazu Kudo, along artworks using diamonds as well as Lamborghini artworks from the Super GT race in cooperation with [JLOC](http://www.jloc.jp/) (Japan Lamborghini Owners Club).

Moreover, it will also feature works of calligraphy created by the most renowned calligraphers Kenshin. All of these will be converted to NFT and will set new trends in the realm of content creation and NFT trading.
