*Must High-Tech Expo announces Greentech Day event to explore the Greentech Trends and Innovations in 2022.*

PARIS, ÎLE-DE-FRANCE, FRANCE, April 13, 2022 /EINPresswire.com/ -- We organize [Greentech](#) Day event to bring together professionals, designers, engineers, innovators, influencers, addicts, manufacturers from across the Green Tech ecosystem to explore technology trends and innovations in 2022 for GreenTech.

The poster for GreenTech Day features a central image of a glass lightbulb containing soil and a small green plant, symbolizing sustainable technology. The text on the poster includes the event title 'GreenTech Day', the date 'April 20, 2022', and the Must High Tech Expo logo. A green 'Agenda' box lists two bullet points: '• INNOVATIVE TECHNOLOGIES DEVELOPED FOR SUSTAINABLE ENVIRONMENT' and '• AWARENESS & OPPORTUNITIES TO BECOME MORE ENVIRONMENTALLY FRIENDLY'. A bottom right box states '\* Networking and matchmaking on [must.link/events](#)'.

Greentech agenda

Greentech scope is any friendly environmental technology helping in reducing greenhouse gas emission, both from direct and indirect emissions by using greener energy production, reducing pollution, and preventing climate damage reversal. Energy efficiency remains the biggest Greentech segment driven by renewable sources of energy as photovoltaics and wind power, followed by sustainable mobility driven by electric mobility and sustainable water management. The Greentech covers a vast industrial line from manufacturing to packaging to supply chain and uses multiple technologies wireless sensors/IoT, AI/ML, cloud computing, real time data analytics and sharing.

“

The policy, content preparation and communication of Must always emphasizes the fact for the requirement of environmental and emotional balance of the entities of physical world. ”

*Said Hanene Maupas, Must CEO.*

In this conference, we will focus on getting the latest

innovation and trends in greentech to help our high-tech community to address their biggest problems, build their roadmap and find their next partners. We will deep dive, from INNOVATIVE TECHNOLOGIES DEVELOPED FOR SUSTAINABLE ENVIRONMENT to AWARENESS &

OPPORTUNITIES TO BECOME MORE ENVIRONMENTALLY FRIENDLY.

Among the speakers, you will meet technology leaders of the GreenTech industry as well as most recognized startups with disruptive technologies.
