

B-Quiet Offers 10 Percent Off Orders of \$200 or More

OTTAWA, ONTARIO, CANADA, April 13, 2022 /EINPresswire.com/ -- [B-Quiet](#) is pleased to announce they are offering 10 percent off all orders of \$200 or more for [sound deafening products](#) and kits. The company manufactures high-quality, effective sound deadening products designed for use in vehicles to provide a better experience on the road.

At B-Quiet, their team developed effective sound-reducing products to ensure a quiet ride in just about any type of vehicle. These products can improve the stereo sound in the cabin, reduce road noise, and even insulate the vehicle from the elements, making the car ride more comfortable. Customers can order these products for use in cars, aircraft, boats, and more, giving them flexibility in their applications to ensure a quiet experience wherever they are. With a discount of 10 percent off orders of \$200 or more, customers can get the affordable solutions they need.

B-Quiet is dedicated to making it easy for customers to modify their vehicles to give them the best driving experience. By offering a vast array of sound deadening products and kits, they allow vehicle owners to modify their vehicles to enjoy their time on the road even more. [Bulk, corporate, and custom orders](#) are also available upon request.

Anyone interested in learning about the discount on sound deadening products for vehicles can find out more by visiting the B-Quiet website or by calling 1-877-727-8438.

About B-Quiet: B-Quiet is a leading manufacturer of noise reduction and sound deadening products designed for use in all types of vehicles. They offer individual products for a customized solution, along with pre-packaged kits that include everything their customers need to complete their project. The company realized the demand for a quieter ride and developed the best products to ensure their customers could find a solution to their noise problems.
