The International Association of Outsourcing Professionals® (IAOP) recognizes the world's best outsourcing service providers and advisors via its annual Global Outsourcing 100 list. Organizations apply for recognition and are scored by an independent panel of IAOP customer members with extensive experience in selecting outsourcing service providers, and advisors.

Miratech received all four distinguishing “Stars” for the categories of Customer References, Awards, and Certifications, Programs and Innovations, as well as Corporate Social Responsibility (CSR) Programs. This year

IAOP awarded Miratech an exceptional “All Star” score of 7.85 out of 8. The Miratech score was 15% higher than the average score amongst other GO100 listees.

Miratech’s inclusion on the IAOP GO100 list for 10 consecutive years has also been recognized by IAOP’s additional distinction of Sustained Excellence.

"A big thank you and congratulations to the companies named to The 2022 Global Outsourcing 100® for rising to the occasion in a particularly challenging year", said IAOP CEO, Debi Hamill. "Your tenacity, grit, and leadership were critical to ensuring our industry came out the other side of the global pandemic and we're pleased to recognize you for your quality and performance excellence."
