

IT Data Solutions Awarded an 8(a) STARS III Government-Wide Acquisition Contract

The U.S. General Services Administration (GSA) awarded IT Data Solutions a Best in Class contract vehicle for Information Technology Services.

MIAMI, FL, USA, April 14, 2022

/EINPresswire.com/ -- The U.S. General

Services Administration has awarded

Hispanic-owned Miami-based

information technology leader [IT Data Solutions](#), an [8\(a\) STARS III](#) Government-Wide Acquisition Contract (GWAC) contract for Information Technology Services. The Best-in-Class (BIC) is a small business set-aside contract that provides flexible access to customized IT solutions from a large, diverse pool of 8(a) industry partners. Under this prestigious Best-in-Class (BIC) contract vehicle,

with a \$50 Billion ceiling, IT Data Solutions will be able to provide their cutting-edge IT solutions to the federal government agencies.

“

This contract vehicle will allow our team to further empower our federal clients to achieve success through our innovative and impactful IT solutions and resources.”

Abel Herrera

“We are extremely proud to have received an 8(a) STARS III GWAC. This contract vehicle will allow our team to further empower our federal clients to achieve success through our innovative and impactful IT solutions and resources,” said President & CEO, Abel Herrera. “We have been anxiously waiting for this award for more than eighteen months, since we started this process back in the summer

of 2020.” IT Data pivoted in 2018 and began the process of becoming a Federal Contractor. In only four short years and a pandemic, IT Data has been able to compete and win four prime contracts with three different federal agencies and support another federal agency as a subcontractor. Herrera added: “This contract vehicle will ease the acquisition process for our federal clients and allow us to continue growing our federal government practice. We are blessed to have amazing employees, consultants, and teaming partners that continue to go above and beyond for our clients. This award is a testament to all the hard work and effort from the entire IT Data team.”
