Fox Nation, the streaming service owned by Fox News Media, teamed with actor Kelsey

“

... An impressive stock footage library, and the production quality is top notch and compliments any high-end TV project. I have had no problem seamlessly weaving in his stock footage in our edits.”

Lisa Q. Wolfinger (Creator, PBS "Mercy Street")

Grammer to host the series "Kelsey Grammer's Historic Battles for America." The eight-episode series highlights a different battle each week, with the Battle of Bunker Hill, the Battle of Brooklyn, the Battle of Yorktown, and the Battle for the Alamo among the battles set to getting the TV treatment.

Reenactment Stock Footage also recently launched a new, streamlined website. The site showcases the more than twenty different eras, and 400 years of history offered. In addition, nearly the entire library of footage is now available on-line for potential clients to review and download upon request.

The ever-expanding Reenactment Stock Footage bank of powerful and cinematic military and home-front footage includes everything from Colonial America to the Revolutionary War, the saga of American Slavery, the Civil War, the Wild West, Suffragettes, Prohibition Gangsters and both World Wars.

"Nearly everything you need to tell any historical story is at your fingertips," claims Kevin R. Hershberger, historian and Emmy-Nominated documentary filmmaker who owns and manages Reenactment Stock Footage. "We place the greatest events and some of the most important moments of history within reach to anyone, and at almost any budget."

With broadcast and independent budgets ever tightening - the company is positioned to offer incredible production-value to meet the needs and budgets of a wide variety of clients from around the World. "Anyone can afford compelling HD and 4K footage from us," adds Hershberger.

New collections even include 4K recreations with intensely authentic costumes, props, special effects and period actors. From intimate historical character vignettes to epic large scale battles, all of the historical collections are shot with expert cinematic composition and lighting. Some of the battle scenes include more than 15,000 authentic re-enactors, cannons and hundreds of cavalry.

It's also now easier than ever to find what you're looking for with select exclusive content from Reenactment Stock Footage now instantly available on [Shutterstock](#) and [Pond5](#).

With nearly 'four-hundred-years-of-footage' available, the sales and research staff - comprised of highly qualified historians and advisors - is always available by phone and e-mail 24/7 to help with new content requests. According to Hershberger, "Reenactment Stock Footage truly makes history new again."
