LIMASSOL, CYPRUS, April 14, 2022 /EINPresswire.com/ -- [RoboMarkets](https://www.robomarkets.com), a leading European broker, announces receiving the "Best Value Broker Global 2022" accolade at the World Economic Magazine Awards. The event organisers have placed a high value on the variety, quality, and availability of the investment services RoboMarkets is offering its clients in comparison with the industry competitors.

The World Economic Magazine Awards organising committee highlighted the following advantages of trading with RoboMarkets:

- Low commissions for trading stocks
- Variety of trading accounts available to clients with different trading experiences
- Multiple trading platforms: R StocksTrader, R MobileTrader, MT4/5
- High-security level of clients' funds

The awards are presented to the most dynamic, breakthrough, and innovative companies in the industry. Participation is available to both B2B and B2C companies, that demonstrate outstanding results and have a significant impact on the global economy.

Konstantin Rashap, Chief Business Officer at RoboMarkets, commented: "We're delighted to be recognised as the "Best Value Broker" by the World Economic Magazine Inc. RoboMarkets is proud to be awarded once again. Earning this accolade proves that the trading and investment conditions offered by RoboMarkets are some of the most competitive in the industry and that

the company's products and services are very popular in the market. We always strive to keep up with the times, adapting to the constantly changing needs of our clients, and providing them with a top-class trading experience".
