Courses Delivered by Qualified AETS-Sofema Instructors

Specializing in training for CAMO nominated Persons and other technical staff in compliance with AMC1 CAMO.A.305(c) Personnel requirements (ED Decision 2020/002/R) (knowledge of a relevant sample of the type(s) of aircraft gained through a formalized training course. These courses should be at least at a level equivalent to Part-66 Appendix III Level 1 General Familiarization.)

They are courses which cover the general layout and functionality of the aircraft and its systems (including engines and instruments) as outlined in the Systems Description Section of the Aircraft Maintenance Manual/Instructions for Continued Airworthiness.

AETS-Sofema provides real-time, instructor-led General Familiarization training either by Assisted Learning (Classroom) or by Distance Learning Synchronous (DLS) using a virtual meeting platform.

Note: AETS- Sofema courses are NON-CAT C specifically aimed at CAMO Staff.
