"We need children to have comfortable shoes, exercise daily, attend class with vigor, and be mentally strong to meet any challenge. Please help in our efforts to ensure every child has SHOES THAT FIT. For every \$30 donated we can purchase one pair of new brand name athletic shoes for a student. Thank you in advance for your generosity." Matthew Hendricks – Local Chapter Representative

"One in five children in the United States live in poverty, and shoes are one of the most expensive items for low-income families to provide. When families must choose between putting food on the table or buying new shoes for school, you can imagine that food wins every time. The simple gift of a pair of shoes can increase a child's confidence, attendance and performance at school, and we are so thankful that the Shoes for Kids Fayetteville NC Shoes That Fit Chapter is taking the time to make such a positive impact on these kids." Amy Fass – Executive Director, Shoes That Fit
