PRESS RELEASE | LA BOOK FAIR 2022

"The story of a conflicted boy exposed to the planners and planning of the Kennedy assassination. We witness his emotional reactions and are introduced to the major players, their motivations and the actual choreography of the shootings. Engrossing, an easy read. Can't wait for the movie or mini series."

— Amazon Customer Review.

"Yes, I always knew that the Kennedy assassination was a conspiracy. Everything in this book concurred with my basic belief in the conspiracy. This story ties together a few things that I was confused about, namely Officer Tippit and the Texas Movie Theater. This was probably the best book on the Kennedy murder I have ever read."

— Goodreads Review.
