The FT Americas’ Fastest-Growing Companies 2022 list the top 500 companies in the Americas with the highest growth in publicly disclosed revenues between 2017 and 2020. The third annual FT ranking of The Americas’ Fastest-Growing Companies captures the resilience of businesses as they adapted to the initial onslaught of the Covid pandemic in 2020.

Essnova's Founder and CEO, Sridhara Gutti, commented, "We are honored to be recognized for our growth trajectory over the past two years, especially given the

challenges of COVID-19, which affected the entire business community. Moreover, we are incredibly proud to be the only Alabama-based technology company that made the FT Top 100 Fastest growing companies.” Gutti added, “Essnova is focused on introducing true innovation to government and commercial organizations. We strongly believe that our unique ability to see

things differently and solve real-world problems for the most demanding challenges positions us for further growth and success." Since its inception, Essnova has expanded to serve and create high-paying technology jobs in over ten states nationwide, including Alabama, Illinois, Virginia, Utah, Mississippi, District of Columbia, Maryland, Georgia, Louisiana, Rhode Island, Puerto Rico, Florida, Texas, California, Nevada, Hawaii, and Pennsylvania.
