

StoreSMART's Vial of Life Can Save Lives in Medical Emergencies

StoreSMART's Vial of Life Pockets are a quick and easy way to provide medical first responders with life-saving information.

ROCHESTER, NY, UNITED STATES, April 19, 2022 /EINPresswire.com/ -- During medical emergencies, when seconds count, a patient may be unable to communicate. Enter StoreSMART's [Vial of Life](#) Pockets, a quick and easy way to provide medical responders with potentially life-saving health information—and FAST!

Emergency responders can make the best decisions regarding treatment when they are aware of an individual's medical history, medications, and allergies. When a crisis strikes, will you be able to advocate for yourself? Will your coworkers or loved ones be able to provide the important information medical personnel need? Do not take chances with your health. Help people help you by preparing a StoreSMART Vial of Life ahead of time!

“

The Vial of Life can hold multiple sheets of paper easily. This item generates the most conversation and thankfulness. It has been an excellent marketing freebie for us. We have given out thousands!”

in Burlingame, California*

Keep your medical information at hand in case of emergencies.

The Vial of Life cover contains important emergency instructions. The location sticker is to be placed on a door or window to alert medical personnel to the location of the Vial of Life. As a bonus, the front cover can be custom printed, making it an excellent informational giveaway for hospitals, ambulance corps, fire departments, local government agencies, or retirement communities to distribute to their clientele.

“I often hear people’s stories about how hard it is to cram paperwork into a pill bottle, which is how the Vial of Life

started!" says Irene Dockins of ElderConsult in Burlingame, California. "I explain how the Vial of Life can hold multiple sheets of paper easily. This item is the one that generates the most conversation and thankfulness from the people we talk to. It has been an excellent marketing 'freebie' for us and we have given out thousands."
