A journey of faith that entails that she is a child of God, a sheep of the Good Shepherd, Jesus. There are also questions at each chapter's end to inspire thought on the topics shared. Sheep may be seen by some as unwilling to follow their shepherd but it proves following after Jesus is following the one that loves and cares for them the most.

"I AM A Sheep?!?! " is a convincing testimony of an irrevocable truth that for centuries the Bible has been bleating—humans too must be shepherds! The timeliness of I AM A Sheep?!?! is eternal, because no matter what turmoil is happening within us and/or in our world, once we realize and accept that our self-will gets us into ruts, the compassionate Good Shepherd is forever willing to guide us back to trusted pastures." — Amazon Customer Review.

Debbie Cole is married, a mother, and a grandmother. She drew from her experience as a shepherd when she became a devoted Christian to shed light on how our relationship with Jesus parallels. She is a skilled sign language interpreter and has taught many classes and lectures on deaf and hearing audiences.
