If I were to remain a believer, I would abide by the Ten Commandments, as well as the specific teachings of Jesus, which are printed red in my Bible.”

Excerpt from The Truth Shall Make You Free

2022 with his published book titled *The Truth Shall Make You Free: How an All-American, Southern Boy and Preacher Became an Atheist*. An enthralling autobiographical account of the author's search for truth and meaning in his personal beliefs. It is about Samuel Whitehead's life raised in a strict religious family. It challenges believers to live up to their beliefs and reflects humor in many situations along the way.

“The author tells a tale of growing up in the South during the sixties. It's very nostalgic for me because I did as well.

The author has done a lot of research during his spiritual journey. His arrival at atheism will make some readers uncomfortable. Keep an open mind and take a chance. It's well worth your time.”
