

2022 Los Angeles Times Festival of Books presents Meet Beans and Basil: Rottweiler Puppies

Author Shares Adorable Moments With the Newest Members of her Family: Beans and Basil

LOS ANGELES, CALIFORNIA, UNITED STATES, April 15, 2022 /EINPresswire.com/ -- Author Michelle

“

Dogs are members of our family, so it's natural for us to want to protect their well-being after we are gone in the same way that we provide for our human family members.”

Cesar Millan

Cristantiello has published her book titled Meet Beans and Basil: Rottweiler Puppies. The book is about the coming to the family of the two Rottweiler puppies named Beans and Basil in March 2019. They became part of the Cristantiello family, and the rest is history to be recorded! Through the photos, you will experience the love and happiness these Rottweilers have to offer.

The book started when Beans and Basil were riding a car back home and how they interacted with the Cristantiello family members in their daily lives; and how they made

their days.

“Loved this adorable book! Nicely written with beautiful pictures and captions to entertain us all! Little ones will enjoy it, but any pet lover will find this book endearing!”

“I sent this book to my nieces. They were in love. Beans and Basil are just amazing pups, and so is their mom. Congratulations Michelle! It is a wonderful book. Better yet, it is great knowing and loving them.”
