with his published book titled Kur's Rage: Part 1 of the Duaredheim Staff Saga. A science fantasy fiction novel about a battle against a demon lord and his wicked minions. It is a chance meeting with a mysterious wizard that provokes them to undergo a scouting mission. During their adventure, they encounter an enemy army and must discover the motivations of its dark commander. The dire wolves, Red Orcs, and the supernatural do transcend.

Magic, fairy races, dragons, and a wide pantheon of Gods weave a fine tapestry in Kur's Rage. The victory of the spirit

and the love and loyalty of its characters are what sets it apart.

"Love the characters and the story. Finished Kur's Rage and started on Drums of Doom already! If you like science fiction/fantasy you will not regret picking this book up. Even if those are not your favorite genres, you should not hesitate to give this book a go."
