

# FUELARTS - the first accelerator for Art+Tech and NFT based startups - launches two online pre-acceleration programs

*Classic Art+Tech startups / digital transformation of the traditional Art Market.*

&

*Digital & NFT startups / startups and NFT-based products.*

NEW YORK, NEW YORK, USA, April 18, 2022 /EINPresswire.com/ -- [FUELARTS](https://www.fuelarts.com) - the first accelerator for Art+Tech and NFT based startups - this May launches two [online pre-acceleration programs](#):

CLASSIC ART+TECH STARTUPS devoted to the digital transformation of the traditional Art Market.

&

DIGITAL & NFT STARTUPS dedicated to startups and NFT-based products.

These programs are designed for:

- Startup Founders & Cultural Entrepreneurs,
- Art Managers & Gallery Owners,
- Artists & NFT Creators,
- Students & Young Professionals

The programs give early-stage founders the knowledge to fundraise and launch their Art+Tech / NFT startup 3 times faster and with a minimum budget. The team of professional mentors will provide them with practical tools while networking will open a wide variety of business opportunities.

The mentors' team includes the best international Art Market and Business professionals,
