The BookWorm's Jeni's Ice Cream Review

For the month of April, I reviewed four unique ice cream flavors from Jeni's Ice Cream. There were so many ice cream flavors to choose from, so I went with a savory flavor, two unique flavors, and a classic flavor. I was anxiously awaiting my package in the mail and was so excited when it came. Although Jeni's ice cream is more expensive than the typical brand, I think that as a once in a while treat it was definitely worth it. I had a great time tasting my way through the special flavors of Jeni's Ice Cream!
