

# 2022 Los Angeles Times Festival of Books presents Bruno's Will to Heal

*The Joy of a Man's Best Friend to his Loyal Human Friend*

LOS ANGELES, CALIFORNIA, UNITED STATES, April 19, 2022 /EINPresswire.com/ -- Author Darla Deeds will be one of the featured authors at the upcoming Los Angeles Festival of Books 2022 with her published book titled Bruno's Will to Heal. An illustration book based on a true family experience story. Dr. Rod made a plan but was not at all encouraged. We thought Bruno would not leave the Animal Hospital alive. I hope that this story of Bruno's Fighting Spirit can come to life!

"Written by a former librarian, the book focuses on the life and emergency medical issues of a happy farm dog named Bruno. Bruno is living his best life until an unfortunate incident sends him to the vet. While the diagnosis was touch and go for a while, the owners and the vet, and his team kept fighting hard as Bruno's gentle nature and enthusiasm will keep him moving forward. Often young children have a hard time understanding when bad things happen and, I think this is great about explaining how a positive attitude can affect any outcome."

— Dian M. Burns, Amazon Customer Review

“

A favorite time for Bruno is dinner time and grilling is best when Susie throws on an extra hot dog just for Bruno!”
