

2022 Los Angeles Times Festival of Books presents Splendid Shore

LOS ANGELES, CALIFORNIA, UNITED STATES, April 19, 2022 /EINPresswire.com/ -- Author Linda Thorndike will be one of the featured authors at the upcoming Los Angeles Festival of Books 2022 with her published book titled *Splendid Shore*. It is a fascinating story following the life and relationships of Cynthia Parkton, a courageous woman who has trouble with marriage journeys and affairs. It happened in the 1950s in Wisconsin around a historical romantic lake community. The lake is the focal location throughout the story. The events there transport the reader from the 1950s to the 1980s with joy and sadness enchantments.

"*Splendid Shore* introduced me to fascinating, gray characters, which is brilliant because the book is primarily character-driven. Linda Thorndike, the author, sufficiently demonstrates that even characters who swim against societal tides can be delightful. It was enthralling how the author excellently developed each character distinctly, making them both fascinating and relatable.

Equally, the lively dialog made it easy to be inside the story. Further, the picturesque descriptions of the primary setting, the lake in Wisconsin, and other travel destinations were so vivid that I could visualize them."

What a contented man I am,
my love, to know I found a
woman who loves me, not
just my money. I needed to
be sure. That's why I waited
two years to ask you to
marry me."
