finalist for the [IT Europa Channel Awards](#) in the Solution Provider category Enterprise Solution of the Year. For this year's contest, IBA Group submitted a solution that automated pricing management at a furniture retailer. The solution enabled the client to turn the operations that were time consuming and prone to human errors into a smooth automated process.

Highlighting the best of European software, information, and communication technologies, the IT Europa Channel Awards are designed to recognize and reward excellence in UK and European channels. Carl Friedmann, the newly

appointed IT Europa Editor, says: "This year we've seen a record-breaking number of submissions, but aside from the quantity, the quality of entries is a reassuring indication of the current strength of the channel."

IT Europa will announce the winners of each category at the IT Europa Channel Awards Dinner in London on May 19, 2022.

About IT Europa Channel Awards

A leading pan-European contest for ISVs, Solution Providers, and Systems Integrators, as well as their vendor and distributor partners, the IT Europa Channel Awards, formerly the European IT & Software Excellence Awards, reward excellence in software development among European IT and telecommunication solution providers. The European IT & Software Excellence Awards 2022 are the 13th edition of the awards, where companies from across Europe demonstrate their ability to deliver innovative IT solutions to clients.

The 2022 awards are split into the following four groups.

- Solution Provider: for managed service providers (MSPs), value-added resellers (VARs), and integrators, with attention given to the solutions they have developed
- Supplier: for suppliers, highlighting those vendors, distributors, and service providers that strive to support their partners in achieving excellence
- Developers & ISVs: for application developers and independent software vendors (ISVs), looking into the innovative solutions they have created over the course of the year
- Culture & Sustainability: for companies that have shown exceptional leadership and initiatives in Customer Relationship Management (CRM), Corporate Social Responsibility (CSR), talent development, and Diversity & Inclusion (new for 2022)
