

# Revenova Raises \$63 Million from Viking Global Investors to Accelerate Innovation in Transportation Technology

BANNOCKBURN, IL, US, April 21, 2022

[/EINPresswire.com/](#) -- [Revenova](#), the leading transportation management system (TMS) provider, today announced it has raised \$63 million from [Viking](#) Global Investors. This investment provides significant capital to accelerate growth and cement Revenova's leadership position in transportation technology.

Revenova provides a mission-critical cloud-native TMS for leading logistics companies across North America. The company's technology improves the process of pricing, booking, tracking, and settling freight shipments, enabling a more modern and efficient supply chain. The [company's solutions operate natively on the Salesforce \(NYSE: CRM\) cloud](#) platform, leveraging the strength of its technology and ecosystem.

"I am excited about joining forces with Viking to accelerate our growth," said Charles Craigmile, co-founder, President, and CEO of Revenova. "We chose Viking as a partner because of their alignment with our strategy and market vision, and commitment to providing long-term capital."

"Revenova is the only multi-modal TMS and fleet management application built entirely on the Salesforce platform. Now with Viking as a partner, we have the fuel to enhance our TMS solutions and more rapidly expand our products across the 3PL and fleet management markets. This investment will help us expand our product innovation, customer service, and development teams as well as broaden our reach in sales and marketing."

This partnership will enable Revenova to extend its leading position in multi-modal transportation management solutions, and comes on the heels of adding two of North America's largest 3PLs to its customer portfolio.

Salesforce Partner Since 2014
