“

The children sought answers, but the grownups had none, no way to explain what it seemed had been done. They sat all together and, no one is sure what to say, inside at Murphy's about noon of the day.”

*Excerpt from The Battle of Elm
& 11th*

with his published book titled *The Battle of Elm & 11th*. An illustrated rhyming children's book has thousands of words. It is about snowmen who were neighbors across the street made by their human owners. These snowmen came to life and battled to their end in the street during the night. Then, morning came, the charming way one of their parents' endeavors to explain things to the children as to what happened that night.

“This is the “IT” children's book of the holidays! It's fun, clever, and poetic. All while teaching children a valuable life lesson encouraging kindness and value in humanity! Such a great read! I can't wait to give this to friends and family

for the holidays! I'll be patiently waiting for the sequel!”
