HILO, HAWAII, USA, April 21, 2022 /EINPresswire.com/ -- Feeling Like A HULA-BURGER Tonight Minus The Coconut Bra And Grass Skirt -- Inspired by the Waikiki SPAM Jam Festival; Hula Burger is now adding a slice of SPAM to its Big Kahuna Coconut Milk Shake. Richard H. Davis, President, and CEO of Hula Burger Corporation came up with the SPAM Shake as kind of a joke while working on a ready-to-eat SPAM 'sushi,' item for Hormel Foods Corporation. Working on SPAM Sushi for the 10th Annual Waikiki SPAM Jam indirectly led to the development of the SPAM Shake," said Davis.

Introduced in 1937 by Hormel Foods Inc., more SPAM products are consumed per person in Hawaii than in any other state in the United States. Almost seven million cans of SPAM are eaten every year in Hawaii. The street festival celebrates the people of Hawaii's love for SPAM products, a canned meat from Hormel Foods Corporation. In Hawaii, SPAM is so popular it is sometimes referred to as "Hawaiian Steak". In James A. Michener's 1946 Pulitzer

Prize-winning novel *Tales of the South Pacific*, Michener's unnamed Commander, who performed Military duties similar to those of the Lieutenant himself on a fictional island during World War II, noted that a large percentage of non-commissioned officers sent to the Pacific Theater (dubbed G.I. Joes because they were drafted), soon discovered that sexual favors could be traded for cans of SPAM, despite a very strict non-fraternization policy.
