LOS ANGELES, CA, UNITED STATES, April 25, 2022 /EINPresswire.com/ -- Native Dallas, Texas artist Edwrđ's latest single, "Dgaf No Mo" is available on major platforms. "Dgaf No Mo" is a sincere and vulnerable track with a magnetic beat that is certain to elevate the song's lyrical meaning and have fans singing along.

"Dgaf No Mo," depicts experiencing life's pain and turning it into a strength. Edwrđ believes, "As children, we learn how to live so we survive, but I no longer want to live solely to survive." Deep in musical collaboration with Grammy award-winning mixer/master sound engineer James Auwarter, Edwrđ has already begun to create a catalog of his sound. This has also allowed the development of his creative process allowing Edwrđ to consistently bring his style to every track. Edwrđ states, "I like what's comfortable to me. Knowing that I'm working with someone that has credits working with the likes of Kanye West and Lupe Fiasco puts me at ease when it comes to the mix. He's a very professional person and so am I so we work well in tandem and I confidently know the track in and out. I can make consistent music which is a joy as an artist. That allows me to focus on what I want to make instead of wondering if what I'm doing is good and not being sure about how to proceed creatively." Edwrđ also credits a part of his creative process to his relationship with veteran vocal tracking engineer Casper J Coda. With his collaborations with talented professionals like James & Casper along with photographers, videographers, and content creators Edwrđ is on track to build a foundation that is independent and brings hope to his future project.

Known for capturing eardrums with his raw lyrics, Edwrđ mixes hypnotic beats and smooth sounds to create his signature style. He is driven and devoted to bringing his music to the mainstream and states, "In my professional life I've enjoyed extreme success as a businessman, but ultimately I've always known music was my passion and that is where God wants me to be."
