[GraceWay Village](#)'s Board of Directors is  
excited to announce and celebrate the  
generous gift of \$1 million from William  
and Estelle Turney of Port St. Lucie!

The Turneys have pledged to match up  
to \$1 million in donations to the [Family Restorative Living Facility](#) Capital Campaign which has  
just been launched.

“A gift of this magnitude highlights the confidence that the Turneys and others have in the ongoing work of GraceWay Village, as well as the bold plans for the future,” said Cathie Mouring, CEO of GraceWay Village. “In just a few short months, we’ve been fortunate to purchase the property necessary to expand our services and launch the Capital Campaign with no current debt! We are so grateful for the Turneys and are confident that this will be the first of many gifts from the Treasure Coast Community.”

The Family Restorative Living Facility will provide homeless  
families a path forward towards healthy self-sufficiency,

instilling hope for their future. Along with housing, professional guidance will assist in  
developing and strengthening the skills necessary for financial independence and healthy family  
relationships. Their success will positively impact those around them, increasing the benefits  
received from this much-needed residential program. Children depend on a healthy childhood  
in order to become adults capable of caring for themselves and their families. This facility will be

a positive springboard towards that end.

Founded in 2009, a powerful vision was cast by the original board of directors. Their vision was to give Treasure Coast community leaders and citizens an opportunity to address the needs of those marginalized by poverty and homelessness, those Jesus referred to as the "least of these" (Matthew 25:40). God has led this process step-by-step; with your faithfulness and support, this vision will be realized in a way that will improve the lives of every person in the Treasure Coast area and beyond.
