“

One way to kill an opportunity is to avoid taking it”

Jack Canfield

The foundation stone for Meta-Z has been laid in December 2021, by its founder Younes Kasdi, with the help of Joseph Grey and Nadhir Ferdji. Meta-Z project is an MMORPG which is built using the Unity engine based on the following concepts:

- Metaverse world
- Social multiplayer
- Play-to-earn game

- NFT marketplace
- Create and share with players

What is Meta-Z ?

Meta-Z is an MMORPG which had a basic concept of allowing players to make their own unique stuff using NFT technology and share it with each others, which then branched out into 4 primary building blocks:

- Base Game
- NFT Builder
- NFT Marketplace
- Meta Z world tokens:

Meta Z token {MZT} a BEP20 standard token powered by Binance Smart Chain and designed to be the ecosystem token for Meta Z world.

Play Meta Z {PMZ} a BEP20 Liquidity generator token designed to be the Governance and the NFT marketplace token for Meta Z project.

Why PMZ is so important ?

Play Meta Z (PMZ) is a governance token/ Rare element/ payment method / Meta-Z currency which will be used to purchase Items from Meta-Z NFT store PMZ holders will get reflections and participate in NFT's and Lands sales revenue, 51% Liquidity locked 3 Years!
