NEW YORK CITY, NEW YORK, UNITED STATES, April 27, 2022

/EINPresswire.com/ -- TAYLOR CLARKE BENNETT is Excited To Share His New Single, "LOVE WHERE YOU'RE FROM" w/ Asher Bank on drums, on most streaming services and digital stores.

"LOVE WHERE YOU'RE FROM" (LWYF) is a message to those who cover up their anxieties, insecurities and fears with 'medical' & 'chemical' and the first new [music](#) (a mixture of Hip Hop & POP, affectionately called HIP POP) from Taylor Clarke Bennett's forthcoming multi-genre album, 'THE RED ROUTE' (a reference to the Root Chakra and life's sometimes bumpy road).

'LWYF' is a song about my personal experience w/ substance use and people who run away from their problems by using drugs & alcohol and how they need to be proactive in their own recovery to live a happier, more fulfilling life.

"Love Where You're From' reflects my inner struggle with a lack of confidence and desire to accept myself as I am," reveals Taylor. "I am forever second guessing my choices but I am learning to accept my past imperfect decisions and move forward," he states, "but I have always known that substance abuse is not the way to go — it only masks the issues and becomes the bigger problem."
