

Inspirational Author, Joan E. Murray, Guides Readers On How To Go Deeper With God

A Life Rooted in Prayer, Can Deliver Powerful Breakthroughs

HOUSTON, TEXAS, UNITED STATES, April 25, 2022

/EINPresswire.com/ -- Has one asked oneself, 'why should I pray?' "There are some people who do not pray often because they don't know what to say," says international Bible Teacher, Joan E. Murray. "I have found prayer to be a place of solace in the midst of the storms. When people paused to pray and seek His face, God was there to restore peace and hope to their hearts during times of devastation. In prayer, you get to share your most intimate needs with God. You also get to share the longings of your heart with Him, allowing you to then leave the burdens and cares at His feet. I call it "shedding the weight."

In her inspirational book, "[I Must Pray](#): A Guide To a Powerful Prayer Life, Murray aim is to guide readers who are just starting to connect with God through prayer as well as encouragement for those who have battle scars from persevering in prayer. Woven throughout are examples of the Holy Spirit teaching what to do when the enemy tries to distract. Discover that even Jesus, the Son of God, needed to pray as He faced His difficult assignments. Prayer is a privileged access to the God of the universe. In these five thought-provoking chapters there are answers for combating prayerlessness and how to get results when one prays.
