

World Civility Inductees 2022

GARY, INDIANA, USA, April 23, 2022
/EINPresswire.com/ -- Dr. Clyde Rivers, founder of I Change Nations, is honored to induct these ambassadors to the world's highest stage of civility as World Civility Ambassadors 2022. As the world is changing daily, these individuals have remained the same in their hearts, and their actions towards humanity have remained the same.

These are the top 2022 ambassadors around the world. They model kindness and respect hoping to one day impact the 7.8 billion people worldwide because every individual has a gift contribution to the world, and their gifts will help solve people's problems. That's why we need everyone alive and well.

Mayor Jerome Prince & Dr. Clyde Rivers

These inductees from 15 nations and multiple occupations have exemplified the culture of civility with their actions for humanity.

“

I'm honored to see these inductees using their voices for the rights of girls and women around the world.”
