Doll Face will be available on all digital platforms today.

Fans have already had a taste of the EP via two exclusive YouTube video premieres for the songs "Black Valentine," and the poignant "Prisoner," a tune co-written and produced by Roni's longtime friend and collaborator Lynn Sorensen former bassist for Paul Rogers and Bad Company. "Prisoner"

Doll Face is about the faces we wear. How people see us and how we see ourselves. Everyone wears a Doll Face whether we know it not.”

In other big news, on Tuesday, April 26, Roni will perform with her dear friend Cherrie Currie (Runaways) for the first time!! The two LA rock legends have known each other since the 70's when the Runaways and Roni's band Venus and the Razorblades ruled the Sunset Strip. Now decades later they hit the stage together at the infamous Whisky A Go-Go in Hollywood. If you live in or around Los Angeles you won't want to miss this historic moment! The reunion takes at the Whisky A Go-Go's Ultimate Jam Night. The evening is a benefit for Ukraine. It's a free show but there will be plenty of opportunities to purchase items to support this important cause.

For the last 40 years Roni has been rocking stages at festivals, clubs, and all-star jams around the world and will embark on a series of live performance beginning in May including a headlining club tour of the U.S. in September with European dates scheduled for 2023. Stay tuned for more live dates and events.
