STORE 5a refurbishes and authenticates some of the most sought-after luxury items on the market. Each piece is inspected by their in-house experts to ensure authenticity and then offered at a discount that can range up to 70 percent off retail prices.

The company has seen success largely in part due to how convenient they have made it for [sellers](#). Most re-commerce companies, force customers to wait until their item is listed and sold before getting paid. At STORE 5a the company provides both a cash offer and a consignment offer. With this process, STORE 5a is able to provide its

customers and sellers, alike, with high quality service that allows the brand to own each item outright allowing them to refurbish each item creating an inventory of products that looks near
