

# Clinical Researcher, Christina DiArcangelo, Announces Launch of The DiArc Magazine

*One of P.A.'s top clinical researchers launches publication to focus on mental health, health and wellness, entrepreneurship, and personal growth.*

CHESTER SPRINGS, PENNSYLVANIA, UNITED STATES, April 25, 2022 /EINPresswire.com/ -- Christina DiArcangelo, a Global Entrepreneur and CEO with more than two decades of experience in the medical cannabis, biotechnology, pharmaceutical, nutraceuticals, and medical device industries, is proud to announce the launch of The DiArc Magazine. The magazine is available online and focuses on mental health, clinical research, health and wellness, entrepreneurship, expert opinions, product reviews, personal growth, and overall lifestyle. The global award-winning clinical researcher has had her own share of challenges battling auto-immune disease, domestic abuse, hurdles in her career, and much more that has led her to launch the publication.

"Throughout my lifetime, I have suffered massive blows from losing my father in 2015, my brother in 2022 from COVID at 43, mental and verbal abuse from childhood into adulthood, business failures, health challenges of my own, and more. I share all of this to impress upon the readers that no matter what happens to any of us, the only way to move forward is to do so with courage, determination and resilience," says Christina DiArcangelo, Founder of The DiArc Magazine. "My intention behind the magazine is to create a resource for people to go to for insight, information, support, and inspiration to help them move forward with courage and resilience no matter what they might be going through."
