

Oklahoma Assistive Technology Program Now Loans Toothbrush Pillow, An Anthem Pleasant Product

OKLAHOMA CITY, OK, USA, April 25, 2022 /EINPresswire.com/ -- [Oklahoma ABLE Tech](#), lending library of tools, devices, and assistive technology services for persons with physical or neurological impairments, is expanding in a small way.

The latest addition to the device demonstration is the [Toothbrush Pillow](#), a small countertop HSA & FSA medical device that balances a toothbrush in the horizontal position with bristles up to aid and assist physically or neurologically impaired individuals in applying toothpaste. Like all the numerous devices and services available from Oklahoma ABLE Tech, the Toothbrush Pillow can be tried by the user before committing to its use.

Oklahoma ABLE Tech mission is to improve access to and acquisition of assistive technology for individuals with disabilities of all ages. They also provide outreach, information and assistance services, and training on various AT topics, as well as collaborate with state and local agencies and organizations to enhance the understanding and access to AT.

Oklahoma ABLE Tech now has the

A graphic with a white background and a blue footer. The top section contains the text "Oklahoma" in black, "toothbrush" in light blue, and "Pillow" in green. Below this is a line drawing of a toothbrush in a green pillow-like holder. The bottom section features the Oklahoma state seal on a blue background, with the word "OKLAHOMA" in white capital letters below it.

Assistive technology

OKLAHOMA

Toothbrush Pillow thru the AT Demonstration & loan program. Oklahoma ABLE Tech is a state and federally funded program that provides assistive technology services statewide to people of all ages and abilities providing device demonstration, short-term device loans, and reutilization of assistive technology.

According to CDC.gov 5 percent of Oklahoma adults have a self-care disability, 17 percent with mobility disability, and 9 percent have an independent living disability. Independent living is described as serious difficulty doing errands alone, such as visiting a doctor's office and self-care is difficulty dressing or bathing.

Funding for Oklahoma ABLE Tech is available through a government-sponsored program called Assistive Technology Act Programs (ATAP), administered by the U.S. Department of Health and Human Services. HHS works through various state agencies that work closely with individual users impacted by disabling conditions.

The Assistive Technology Industry Association (ATiA) defines Assistive technology (AT) is any item, piece of equipment, software program, or product system that is used to increase, maintain, or improve the functional capabilities of persons with disabilities.

The small Toothbrush Pillow, like thousands of other devices designed to assist disabled and elderly, is available at 33 out of 56 assistive technology locations throughout all 50 states, four US territories, the District of Columbia and Puerto Rico.

About Toothbrush Pillow

The device is currently being used by individuals with Parkinson's, arthritis, Multiple Sclerosis (MS), stroke, Autism, and upper limb amputees. Occupational therapists supply the Toothbrush Pillow and teaches client's proper oral care. The device creates opportunities for individuals with daily oral care when dealing with extraordinary medical issues in the absent of medical doctors. Very economical, easy to use, and can be used independently. The intellectual property behind TBP is owned by American Businessman, Anthem Pleasant.
