

Rick Vermillion Announces Colorado Springs Yard Maintenance and Design

Colorado Springs business owner Rick Vermillion and his team are announcing signups for Spring landscaping and yard cleanups.

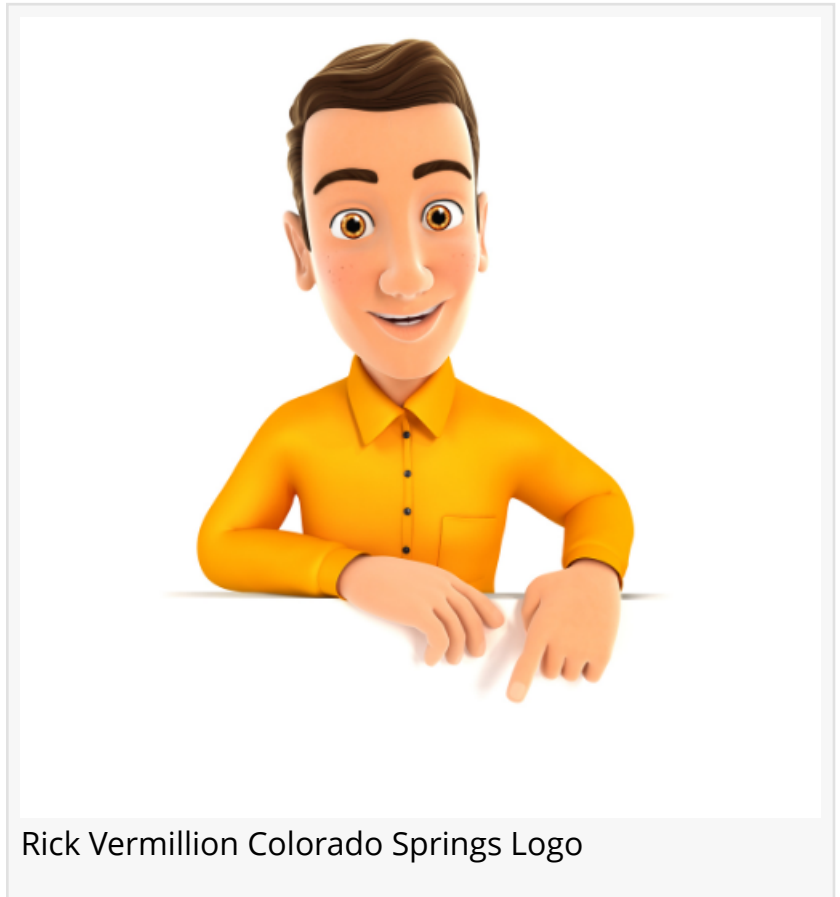

COLORADO SPRINGS, COLORADO, UNITED STATES, April 26, 2022 /EINPresswire.com/ -- For many consumers, flowers and trees in spring bloom mean it's time to hire lawn care and landscaping professionals. Although a homeowner may have an impressive green thumb, that talent may not translate into the design they have in mind. [Rick Vermillion, Colorado Springs](#) business owner is helping homeowners get their yards cleaned up and looking great for spring.

Rick Vermillion has been creating customer relationships in Colorado Springs for years. As a small business owner, Rick believes that focusing on customer satisfaction is the key to word-of-mouth advertising and repeat business.

Last year, BBB received more than 5,000 complaints against lawn and landscaping companies. Many complaints alleged dissatisfaction with the services provided. As a local business, this is unacceptable.

"We are sharing the community and pride in Colorado Springs with our customers. Every project we accept is a direct indication of how we do business and treat every project like it is our own property." [Stated Rick Vermillion.](#)

The services provided include mowing and full-service landscaping. This includes the removal of leaves, pine needles, weeds, and all the debris in your yard. Specialty services include tree
