Anytime Fitness on Canal St is now the highest rated location in all of Louisiana

NEW ORLEANS, LA, USA, May 3, 2022 /EINPresswire.com/ -- With a 4.7 star rating (https://g.page/r/CVpl2Uj61XP_EAg/review) out of 5 stars on Google reviews and 1,000's of attendees every week consisting of members and guests, it's no wonder why this gym has become so popular among locals. In fact, this location is ranked #1 out of 117 locations in Louisiana at the time of this writing. What sets this club apart is not just its prime location, pristine facility and equipment or friendly staff, but the inclusion of a complimentary personal training session and unlimited group classes for all members of this location.

The newest addition to their class schedule is Power Yoga, which has proven to be a tremendous success since its debut last month. Anytime Fitness Canal Street has launched the power yoga class intending to help members achieve higher levels of wellness. This club is taking on this challenge. They believe it will help them stay ahead of the competition in Louisiana and maintain their position as the highest-rated location in all of Louisiana and beyond, by providing members and guest what they need and want, with ever-changing fitness trends. The introduction to this class starts with an invigorating stretch that releases pent-up tension and then moves into a series of powerful poses designed to build strength and flexibility. As with any yoga session, it also offers an element of meditation and relaxation before you head out for the day or to finish off your workout.
