/EINPresswire.com/ -- "["Oedipus from Miami Beach"](#) an insightful story that may be viewed as a realistic and informative picture of the author's slow but steady transition from being a psychological "prisoner" suffering from pathological narcissism and dissociation to a more balanced and healthy sense of self. "Oedipus from Miami Beach" is the creation of published author [Dr Gibbs Williams](#), a psychoanalyst who has published four books.

Williams writes, "I am thankful that many past and present profound thinkers have provided concepts utilised as psychological 'tools' during psychoanalytic treatment in the service of organising my own and others' personal chaos. I am especially indebted to Baruch Spinoza for accurately describing my core psychological issue."

Published by [Book Vine Press](#), Dr Gibbs Williams' new book provides notions that are used as psychological 'tools' during psychoanalysis sessions therapy in the service of arranging the author's internal disorder and the personal turmoil of others.
