Braff, Harris & Sukoneck Celebrating 85 Years and counting in the Legal Community

LIVINGSTON, NJ, UNITED STATES, April 27, 2022 /EINPresswire.com/ -- 2022 begins [Braff, Harris & Sukoneck's](#) 86th year as a proud member of the legal community. We thank the generations of lawyers and staff who have contributed to our success. Our founders, Jerome B. Litvak, Joseph N. Braff and Leo Ertag established a culture of ethics and excellence that we work to continue each day.

Our firm was formed in the City of Newark, NJ in 1936. Jerome B. Litvak, the firm's founder, was a state assembly man representing his constituents in the South Ward of the city. Many of those people were immigrants who relied upon Mr. Litvak not only as their spokesperson but as their lawyer. Mr. Litvak, with his partner Joseph N. Braff, were deeply invested in insuring that the newly arrived US citizens were treated fairly and equally in their new found home.

Both Mr. Litvak and Mr. Braff were skilled trial lawyers and were considered among the best litigators in New Jersey. Their sons, Harold I. Braff and Michael I. Litvak, joined the firm after graduating from Rutgers Law School and followed in their fathers' footsteps. Clients such as General Motors, Navistar, Caterpillar Inc. and Otis Elevator Company and others trusted them to defend those companies in throughout New Jersey and New York. As the firm grew in size and reputation it expanded began successfully handling excess catastrophic cases on behalf of American International Insurance group, Carrier Corporation, May Department Store, Caldor
