Radix IoT Executives Share Insight on IoT Security, Edge Infrastructure, Scaling Autonomy at Upcoming Global Events

Chief Product Officer, Michael Skurla Will Speak at Events Across U.S. and Europe

DALLAS, TEXAS, UNITED STATES, May 3, 2022 /EINPresswire.com/ -- Radix IoT Chief Product Officer, Michael Skurla has been selected to speak at several upcoming industry events nationwide and in Europe. His presentations will focus on the developing issues around IoT security, as well as Edge infrastructure and scaling autonomy.

Radix IoT will also be an exhibitor at the 7x24 Exchange Spring Conference (Table #35), June 12-15 in Orlando, Florida, the IoT Evolution Conference and Expo (Booth #447), June 21-24 in Fort Lauderdale, Florida, and the SCADA Technology Summit August 24-25 at Westin Dallas Park Central. Visitors can drop by to meet Radix IoT management executives and learn about the company's Mango Platform—an intuitive software, unifying distributed infrastructure and technology into a single organized information database for outcome-based analytics. OEM representatives can also learn how they can seamlessly cloud-enable their portfolio globally with the company's Mango Series 4 secure, scalable, end-to-end connectivity platform.
