

Radiant Technologies Announces Licensing Agreement With Tunaaaaroom

Based in Vernon, Tunaaaaroom has spent over six years developing the genetics for 1000 high-quality cannabis strains containing proprietary terpene profiles.

VERNON, BRITISH COLUMBIA, CANADA, April 27, 2022 /EINPresswire.com/ -- Radiant Technologies (Cannabis) Inc. ("Radiant" or the "Company") (TSX Venture: RTI; OTCQX: RDDTF), is pleased to announce a licensing agreement with [Tunaaaaroom](https://www.tunaaaaroom.com) ("Tunaaaaroom.com") to manufacture and distribute a wide range of premium cannabis extracts targeting the recreational cannabis consumers in Canada.

Through this licensing deal, Radiant will gain access to Tunaaaaroom's specific genetics and will engage the Tunaaaaroom breeders as consultants to help drive product development. Radiant will make use of its Health Canada Cannabis Research and Analytical Testing licenses to fully characterize the Tunaaaaroom strains and evaluate the sensory qualities of extracts formulated to mimic the specific terpene profiles and containing differing cannabinoid profiles and potencies.

Radiant will further make use of its Standard Processing and Sales Licenses to rapidly launch premium distillate dab and vape extracts. Radiant plans to bring Tunaaaaroom's vast catalogue of unique flavours to the market with monthly drops of new terp profiles. Radiant and Tunaaaaroom will also work in collaboration on CBD and CBN distillate dabs to create additional unique terpene extract products for recreational cannabis consumers. Future Radiant extract products may include Cannabis 2.0 products like diamond, shatter, caviars, live rosin, terp sauce as well as micro cannabinoid isolates and edibles.

About Radiant

Radiant Technologies is an innovative science-based company that is a commercial manufacturer of high quality cannabinoid based formulations, ingredients and products.
