"We are incredibly pleased to announce our strategic partnership with Xtreme International Realty, that provides products, services and resources to Xtreme agents and their clients that can't be matched in Florida," said Beau La Point, chief executive officer of LikeRE.com, Inc. "In addition to providing a fast and easy way to promote their rapidly growing market share and newly-released cryptocurrency token in front of online home shoppers, we are bringing significant value through prominent branding on their agents on LikeRE, along with dedicated broker

pages."

"Florida is one of the hottest real estate markets in the country right now and we are incredibly proud to build this relationship with LikeRE.com during the spring home shopping season," said Tony Martinez, Co-Owner/Broker of Xtreme International Realty. "Now, through this innovative social media platform, our agents can expand their reach to a very engaged audience of home shoppers and other real estate professionals. I see no limits to what we can accomplish together!"

Through the LikeRE Partnership Program, real estate professionals are empowered with unmatched technology to serve their clients while growing their business. Additionally, real estate professionals are receiving timely and relevant education and information about the real estate industry from LikeRE. The Brokerages receive attribution, branding, a link back directly to their websites and tools that allow them to compete with other agencies, regardless of size.
