

Whiting Systems becomes Allied Member of National Private Truck Council

Whiting Systems, is honored to Become an Allied Member of NPTC

ALEXANDER, ARKANSAS, UNITED STATES, April 28, 2022 /EINPresswire.com/ -- [Whiting Systems](#) is pleased to announce the membership with The National Private Truck Council. Whiting System's primary reasons for joining NPTC are to take place in advocacy, education, and professional advancement NPTC has to offer. The NPTC has been a strong voice for private fleets since 1939 and now more so than ever is proving to be a great networking opportunity for service providers and fleets.

Internal Trailer Wash System Helps NPTC

Whiting Systems, as a active member this year took advantage of NPTC's Annual Education Managements Conference and Exhibit. Russ Whiting President of Whiting Systems says " Our goal is to help educate through working actively with NPTC's educational programs. As a leader in the industry of fleet washing systems, we cater to a broad spectrum of private fleet clientele and their unique needs. No matter the business goals, we offer the tools and resources to keep their vehicles in pristine condition for years to come. By choosing us as your provider for fleet wash solutions, you are investing in the life span and performance of the vehicles that drive your business." "We are excited to continue working with NPTC and look forward to the future growth." Whiting continued saying.

“ We are excited to continue working with NPTC and look forward to the future growth.”
