

The Electronic Dance Music have a latin-queen: Andrea Hoyos

Currently in US, she has reached an all-time popularity, despite the competition

MIAMI, FLORIDA, ESTADOS UNIDOS, April 27, 2022 /EINPresswire.com/ -- [Andrea Hoyos](#) was born in Venezuela on March 29, 1994. The renowned artist has been internationally recognized as the most influential female DJ, more specifically throughout South and North America. She has been nominated and awarded with the most prestigious award in Venezuela, the "Tacarigua de Oro Awards".

The DJ is currently located in the United States, where the career as a DJ has reached an all-time popularity. Despite the vast competition in the field, she has been able to achieve recognition as one of the best DJ's in North America, and the best throughout South America.

Andrea's latest work was released on April 5th, 2022 in collaboration with Alicia Banquez, the most famous singer in Venezuela. The artists released a remix of the song "Viva", which is expected to achieve peak-high numbers due to the explosive combination of the best Venezuelan DJ and the best Venezuelan singer.

The EMD latin queen

"I live in the world, but i'm not from here."

Andrea has been clearly escalating and has established herself at the top of the best 100 female Djs in the United States. Being in this top is the best achievement a Dj can get. There is around 1,000 Djs in the United States and more than 3,000 in North America, which means that being in the top 100 is definitely a major success at the Djs carrier. Djanetop.com awards only the best of the best female Djs in the world, and Andrea has clearly caught their attention.

The DJ continues to surpass all expectations set by her fans and her audience, demonstrating that she continues to be the best at what she does.
