

MBBS in Philippines Enlightening the Students

MBBS IN PHILIPPINES

CHENNAI, TAMIL NADU, INDIA, April 28, 2022 /EINPresswire.com/ --

The National Eligibility and Entrance Test (NEET) is an all-India examination for admission to MBBS and BDS courses in medical colleges across India. The test is conducted by the Central Board of Secondary Education (CBSE) and the University Grants Commission of India (UGC).

National Eligibility cum Entrance Test (NEET) was introduced in 2013 with the intention of making a single entrance exam for undergraduate medical admissions across India, replacing various state level exams such as UGC-NET, AIIMS-JEE, COMEDK etc.

This Examination instead of being a Qualifying exam it has become Elimination exam Because 16 lakh Applicants Compete for 80,000 admissions, Every Year this Numbers are only raising. The Best Option to Overcome this Particular Hopeless cases is moving abroad for MBBS which is a Dream for Many Aspirants.

The Philippines is a country that has been accomplishing the goal of universal healthcare for decades. In this pursuit, the Department of Health (DOH) has opened doors to aspiring medical professionals who want to pursue their dream of becoming doctors. To date, there are more
