LOS ANGELES, CALIFORNIA, UNITED STATES, April 28, 2022

/EINPresswire.com/ -- Providence Film Group, a wholly owned subsidiary of Valiant Eagle Inc., is extremely excited to announce the filming of the Ambush Karaoke show pilot this Saturday April 30th.

The show is a singing competition television series created by Xavier Mitchell and produced by Providence Film Group. The show's highly acclaimed Music Industry Producers, have set out on a journey, to see if it is possible to find the next artist or singing sensation in the Karaoke Universe. LA is the first stop on their trek across the country. Songs from the 1980s and 1990s will be the show's theme for the initial show.

The Ambush Karaoke Crew consists of show creators, talent scouts and casting professionals who will scour clubs, bars, lounges and upscale private spots all over the U.S. (beginning in Los Angeles), searching for the best, the worst, most entertaining, and wackiest karaoke singers. The Crew will also mount a massive social media campaign to announce and set up open auditions and provide a platform for uploading video auditions and testimonials from contestants from all over the world.

In the season opener, we'll get to meet most of the top thirty 30 contestants and watch as they

compete , narrowing the number of singers down to the Top Ten, who will compete for the number one spot and win a recording contract as well as a large cash prize.

After vetting the LA auditions, our Producers will only give 3 invitations to the next round of Ambush Karaoke's regional semifinals. But wait, there's more....At the end of the show, American viewers, will have an opportunity to vote for their favorite Karaoke singers and determine who will become the inaugural Ambush Karaoke Champion!

Ambush Karaoke has received strong interest both from former Senior Producers and two judges from American Idol. Each one has definitively expressed that the concept has unlimited potential. Ambush Karaoke will contend with the success of American Idol has which has been described as "unparalleled in broadcasting history".

Xavier Mitchell, the show creator says, "I believe this will be the most impactful show in the history of television and should surpass all of its peers in terms of viewership. The two former American Idol judges are well known and have worked with A-List musical talent."

Updates will be forthcoming.
