RMSI Appoints Ravi Santhanam as Vice President – Business Development

NEW JERSEY, NORTH AMERICA, UNITED STATES, April 28, 2022 /EINPresswire.com/ -- New Jersey, North America, April 28, 2022: RMSI has expanded its global sales leadership team with the appointment of Ravi Santhanam as Vice President – Business Development. Ravi will be responsible for driving RMSI's [Utility](#) business growth strategy across the world. Ravi will be based out of New Jersey, North America.

Ravi has 22 years of experience in the Energy and Utilities, [Telecom](#), Media, and Manufacturing sectors. He specializes in developing new markets, new client acquisition, large account management, pre-sales, and business analysis. In his prior roles, he has worked with key tech organizations such as TCS and Cognizant, where he has a proven track record of setting up utility and telecom practices, acquiring strategic accounts, and building long-term trusted client relationships.

Commenting on his appointment, Anup Jindal, CEO & JMD, RMSI said, "With Ravi's strong background and extensive market experience, I am confident that he will be able to strengthen our client relationships and achieve our growth aspirations for utility sector globally".

"I am excited to be a part of the RMSI family & fantastic team, and I look forward to working closely with the leadership team to help build on a solid foundation developed over the last two decades. RMSI's Utility practice is perfectly positioned to help its clients digitally transform their businesses for better customer experience, along with a sustainability focus," said, Ravi Santhanam, Vice President – Business Development.
